sanisafe QRD

sanisafe | QRD

A revolutionary method of dispensing wipes

A Sturdy dispenser bag fitted with the new QRD unit, a removable bayonet which allows for easy access to the wipe and greatly improves hygiene, minimising the risk of foreign bodies finding their way on to the wipes' surface. Fast acting and with a high kill rate, makes sanisafe QRD the ideal product for areas where sanitised surfaces are paramount. sanisafe QRD is ready to tackle the toughest of situations.

Wall bracket also available.
